Project

Field(s) Strand: Civil society projects

Description

- a) Project title: Europe, citizen territory
- b) General objective: Promotion of reflexion, debate and citizen participation to face the future of Europe from Local territories.
- c) Specific objective: European network of civil organization creation
- d) Activities:
In order to promote discussion we shall work considering three items: identity from diversity, citizen participation and local governance
- We will work from the dynamics of social theater in three urban settings that can be found in any European city:**
- A multicultural neighborhood that has been transformed with dynamics of coexistence and social innovation.
 - An industrial neighborhood.
 - A neighborhood born of urban regeneration.
