Short overview of your organisation (key activities, experience)	We support people with disabilities to live as equal citizens in their local communities. We work with local communities to address disadvantage in access to training, education and employment.
Description of the project	
Strand, Measure in the framework of "Europe for Citizens" Programme (e.g. European Remembrance; Civil Society Project; Town Twinning)?	Town Twinning
Timetable of the project	September 2016 - 2018
Short description of the project, including its aims	WALK are based in Walkinstown a small town 6 kilometres from the centre of Dublin City in Ireland. Walkinstown has a population of just over 6000 people. It has more disabled and unemployed people than the national average. It also has a lesser rate of educational achievement than the national average. We are looking to twin with a town of similar size in Europe who are committed to supporting people to be active citizens. We are especially interested in communities who have set up social enterprises to provide training and employment opportunities for their communities.
Role of the partner organisation in the project	To share experiences in creating opportunities in disadvantaged communities for people to access training, employment and to become active citizens.
