Strand, Measure	Measure 2.1
Submission deadline	1 september 2016

Title of the project	"Europe one thought!"
<p>Short description of the project (aims, objectives, main activities, target group, venues, expected results) (max. 1500 characters)</p>	<p>The aim of our project is to develop an intercultural dialogue between generations. In this project participants will be represented by seniors (elderly) and by young people (children / adolescents).</p> <p>Our project will run for a period of 7 days, during which we propose that the older and younger generations to understand how thought and perception on life.</p> <p>More specifically we want an exchange of experiences between twinned towns generations among both the younger generation and the elderly , and vice versa.</p> <p>Each generation will present customs of the rose can achieve different things to express culture and traditions which was born. Will initiate a dialog between generations through story and exposing the culture that was born, grew up and lives today.</p> <p>This will explore cultural customs and traditions of many communities in different parts of the world. It will organize competitions between generations participating to create an active environment and competitive at the same time; Winners will be awarded with diplomas and traditional objects. We will also carry out home visits to older people will be a little guide in placing imaginary past.</p> <p>Participants will have the opportunity to visit specific sites and local culture and traditions. Basically our idea of the project, achieving an intercultural dialogue between generations, aims that in the end, each participant generatie to realize the importance of keeping, preservation and transmission of ancient customs, further young generations; because each of us reach a point to be part of both the current generation and the generation before.</p> <div data-bbox="778 1675 1358 1877" style="text-align: center;">  </div>
