**Proposed Creative Europe project – to which project are you looking for partners?**

Sector or field	<b><i>Sustainability, participatory art actions, cultural and creative sectors as cultural heritage, literature, art as therapy, eco art therapy, visuals, expressive and performance arts from different countries</i></b>
Description or summary of the proposed project	Our priority is <b>to raise the local people awareness about how participatory eco art is one of the most important tools to communicate the sustainability in the post covid-19 era and how their cultural heritage (both material and immaterial) probably could affect our art action practices design among countries.</b> Our goal is to replicate/try out this collaborative art actions design approach with other cities in Europe.
Partners currently involved in the project
