Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Literature, translation, residences for translators</i>
Description or summary of the proposed project	We are looking for project partners for the organization of international translators' meetings and continuous activities dealing with current issues and topics from the field of translation, including the translation of fiction, arts and humanities, social sciences, and children's and YA literature from different source and target languages (with a special focus on translating in minor languages). The project would also promote the networking of translators' associations and foster the international exchange of literary translators. By attracting wider audiences, we would actively inform the public on the role, importance, and position of literary translation as author's intellectual work within the cultural and creative sectors and the modern society at large.
