

La akhri ilmahaaga

Læs med dit barn

Ereyada cusub. In kor loogu akhriyo ayuu ilmuhu ku bartaa ereyada iyo weedhaha cusub. Carruurta way jecel yihiin in kor wax loogu akhriyo.

Carruurta way jecel yihiin dhegaysiga sheekooyinka!

Carruurta oo dhan ayaa jecel in kor wax loogu akhriyo – xataa carruurta aad u yaryar ayaa jecel, inay maqlaan hooyada ama aabbaha oo uga sheekaynaya sheeko fiican. Nasiib wanaag. Waayo markay carruurta aad u yaryar yihiin ee dhegaystaan sheekoxariir iyo sheekooyin, waxay ka helaan luqad fiican oo hodan ah.

Carruurta ay fiican tahay luqaddoodu, waxa u fududaada barashada akhriska iyo qoraalka, markay bilaabaan dugsiga, si fiicanna way u la qabsadaan nidaamka waxbarashada.

Si fudud baad uga caawin kartaa ilmahaagu, inuu yeesho luqad adag, adigoo dhegaysanaya, la hadlaya lana ciyaaraya ilmahaaga. Siyaabo badan ayaad arrintaas u samayn kartaa: Wax u akhri, u hees, u sheeke, wax u sharax oo la ciyaar ilmahaaga! Hadda bilaw – xataa haddii ilmahaagu aad u yar yahay. Waa marka ugu horraysa, ee saldhig fiican loo samayn karo luqadda ilmahaaga.

Sidoo kale ilmahaaga kula hadal oo wax ugu akhri luqaddaada. Marka ilmahaagu ku siican afkiisa hooyo, waxa u fududaanaya barashada luqadaha kale – sida deenishka iyo ingiriisida.

Markaad wax u akhriyayso ilmahaaga – luqaddii ay doonto ha noqotee – waxaa ballaadhanaya khayaalkiisa iyo luqaddiisa. Waxana u fududaanaysa ilmahaaga inuu wax barto, markuu galo dugsiga.
